

The Musical "Time:" Laurence Olivier appeared on stage not in person (he was in his late 70's and in frail health by then) but as a giant holographic image, although his voice was heard. The authors on the script are listed as Dave Clark and David Soames. [More information HERE.](#)

Stand before me on the sign of infinity,
all you of the earth.
With the granting of the law of provination
comes the application of change.

I will give you the key.
And with this knowledge, please realise,
comes the responsibility of sharing it.
I will show you the way.

It's very simple. Throughout the universe
there is order.

In the movement of the planets, in nature
and in the functioning of the human mind.
A mind that is in its natural state of order,
is in harmony with the universe
and such a mind is timeless.

Your life is an expression of your mind.
You are the creator of your own Universe -
For as a human being, you are free to will whatever
state of being you desire through the use of your
thoughts and words.

There is great power there.

It can be a blessing or a curse -
It's entirely up to you.
For the quality of your life is brought about
by the quality of your thinking -
think about that.

Thoughts produce actions -
look at what you're thinking.

See the pettiness and the envy and the greed and the
fear and all the other attitudes that causes
you pain and discomfort.

Realize that the one thing you have absolute
control over is your attitude.

See the effect that it has on those around you.
For each life is linked to all life

and your words carry with them chain reactions
like a stone that is thrown into a pond.

If your thinking is in order,
your words will flow directly from the heart
creating ripples of love.

If you truly want to change your world, my friends,
you must change your thinking.

Reason is your greatest tool,
it creates an atmosphere of understanding,
which leads to caring which is love.

Choose your words with care.
Go forth ... with love.
